22. AESOP'S FABLES (1)

Aesop's fables are animal stories that teach important lessons to children and adults. No one knows for sure where these popular stories came from. But many believe that a man called Aesop lived about 2,500 years ago. Aesop was a Greek slave. He was also a wonderful story teller. The people who owned Aesop was so happy with his funny stories that they gave him his freedom. After that, it is believed that Aesop worked for two different kings, who liked listening to his stories. They even used his stories to find answers to problems in their kingdoms. We know that many of the stories that we call Aesop's fables were originally from India. Many others are Greek folk stories that were told long before Aesop lived. We also know that the stories called Aesop's fables were told for hundreds of years before any one wrote them down.

Why do people enjoy Aesop's fables so much? First they are simple and easy to remember. Second, they are about animals, but they have important lessons for people. Every story from Aesop's fables has a moral. The moral is a lesson about life. It is usually a lesson people can use to understand many different situation in life. (Adapted from reading for meaning)
